GLOBAL PRESENCE & INFRASTRUCTURE

**OSWAR**  
rotocorp

# A STRONG GLOBAL FOOTPRINT

Oswar Rotocorp has established a growing global presence, supported by robust manufacturing capabilities and strategically positioned operational centers. With a strong base in India and structured international alignment under OSWAR Japan, the company continues to expand its industrial reach across key global markets.

Our operations are designed to support clients with reliable production capacity, streamlined supply chains, and responsive service support. By combining global engineering standards with localized manufacturing strength, Oswar Rotocorp delivers consistent quality and timely execution for critical industrial projects.

## KEY FEATURES
